CORRECTION

In the above captioned report, paragraph 3 should read as follows:

3. Anti-Russian feeling is increasing in Tientsin. On occasions, Chinese throw stones or spit in the faces of Russians, not distinguishing between "Red" and "White" Russians. Prospective repatriates who were born in China are being "shoved around" when requesting exit permits, none of whom have yet obtained an exit permit. Two China-born Russians were told that they are not Russians but belong to China. Two young people reported that their Soviet papers were torn up by Chinese officials. It is said that Kurdiukov is sending a secretary to investigate.
